

THE 16TH PACIFIC POLYMER CONFERENCE

30th Year Anniversary Edition

8 – 12 DEC 2019

SUNTEC SINGAPORE CONVENTION & EXHIBITION CENTRE,
SINGAPORE

Plenary speakers

Krzysztof Matyjaszewski
Carnegie Mellon University
(USA)

Subra Suresh
Nanyang Technological University
(Singapore)

Bin Liu
National University of Singapore
(Singapore)

Kohzo Ito
University of Tokyo
(Japan)

Martina Stenzel
University of New South Wales
(Australia)

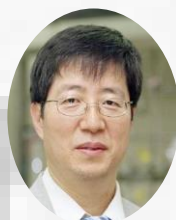

Andrew Whittaker
The University of Queensland
(Australia)

James L. Hedrick
IBM Almaden
(USA)

Stephen Z.D. Cheng
University of Akron (USA)
SCUT (China)

Jin Kon Kim
POSTECH
(Korea)

Conference Chair:

Professor Xiao “Matthew” Hu

(Nanyang Technological University)
Singapore
President, Pacific Polymer Federation (PPF)

Important dates

Abstract submission opens on:
8 Apr 2019

Abstract submission deadline:
8 Aug 2019

Notification of abstract acceptance:
9 Sep 2019

Author registration deadline:
14 Oct 2019

Symposia List

- | | |
|--|--|
| S1. Polymer synthesis and characterization | S6. Polymer in 3D / 4D printing and additive manufacturing |
| S2. Polymer physics, structure, properties and processing | S7. Polymers for biomedicine and personal care |
| S3. Polymer surfaces and interfaces | S8. Polymers and the environment |
| S4. Functional and self-assembled materials | S9. Polymers for optoelectronics, smart electronics and energy |
| S5. Organic/ inorganic hybrids, nanomaterials and composites | SS1. Polymeric membranes: Innovations and applications |
| | SS2. Women in polymer science |
